

A Word With Wichita About That Woman.

It is to be hoped that a majority of the people of Wichits will not permit an incidental ascapade of an anclent curb-stone stager to precipitate them into such a body by the ears as will pile up costs to the impayers till, in the end, bring things to a stand still, and Wichitz had one such war which resulted in business distraction, social uphenval, church wreckage and waste and expenditure of a pile of money, with no beneficial result

But Topeka is not Wichita, and for which Wichita pooale should feel thunkful. For Blight truffle in Houor, for

doubt the propie of a majority of the counties in Kansas question." favor prohibition. While prohibition has never succeeded or for regulation by Boense

It the people of Topeka or if the majority of the communities of Kansus, or if the entire state should conclude: to grow and do business. By such a course we will as a

Wichita Wants Nothing of the Kind.

One of Wichita's representatives in the legislature. Mr. quire, own and operate" her flouring mills. And while Lendon during the queen's tuness will along this line of properties thinking and accalistic ac-America in drinking to the new friendship between this direct interest of the publical And then while about it "acquire, own and operate" everything else, including the banks, burning one half of the population of the place for to take themselves, their capital and bars and language to a me other fown. With the town owning and money. This all accomplished there would be left two years. Adopted will put on his unit to wall up the town but to wall to wall up the town but to wall the town but to wall up to wall up to wall up to wall up to wall

As such the United States can never afford that islands possession or dominency by any European or other power.

Some of these powers, have already officially asked the wire long, narrow sits, apparently extended to indepently world in general.

The Osage Indian nation will be face like a skate, barring his eyes, which were long, narrow sits, apparently extended to indepently world in general.

The Osage Indian nation will be face like a skate, barring his eyes, which were long, narrow sits, apparently extended to indepent to indepent the state of Okishoma.

It is said that B, S. Barnes is the new postmaster at Poora City, world in general. possession or dominency by any European or other power. like Americans and Spanish immigrants are pouring into the island. But on the other hand United States capital is also pouring into the Island. Many of its most important material and commercial interests are already owned and controlled by citizens of the United States. Over and against all this is the promise of congress and the intention of President McKinley to guarantee Cuban independence. As for anything farther the United States is in military possession and the United States is morally bound to see that law and order are respected in Cuba and to project the lives and property of its own citizens and of the schooler in a wretched old capacitation. mens, has turned the town of Topeka upside down. His people and papers, its authorities and churches are all by the ears, over this freak from Medicine Lodge, who while in Wichita only enlisted the active support of two or the freak from Medicine Lodge, who while in Wichita only enlisted the active support of two or the freak from Medicine Lodge, who while in Wichita only enlisted the active support of two or the freak from Medicine Lodge, who while in Wichita only enlisted the active support of two or the freak from Medicine Lodge, who while in Wichita only enlisted the active support of two or the freak from Medicine Lodge, who while in Wichita only enlisted the active support of two or the freak from Medicine Lodge, who while in Wichita only enlisted the active support of two or the freak from Medicine Lodge, who while in Wichita only enlisted the active support of two or the freak from Medicine Lodge, who while in Wichita only enlisted the active support of two or the freak from Medicine Lodge, who while in Wichita only enlisted the active support of two or the freak from Medicine Lodge, who while in Wichita only enlisted the active support of two or the freak from Medicine Lodge, who while the freak from Medicine Lodge and the support of two or the freak from Medicine Lodge.
